## Disposal Bins

If required, Perth Business Relocations can provide large green 660l bins which can be used to dispose of any unwanted documents folders and general office refuse while your staff are packing up their work areas. These bins are on wheels for easy moving within your office and fit through a standard door. Once the bin is full we come back and swap it for an empty one, making getting rid of your general rubbish very simple! These bins are for paper and office refuse only – no food or liquids have ever bin in these bins.

We can also arrange the delivery of special security bins for any confidential documents and folders requiring shredding or destroying.
